When the true facts concerning his activities are presented, such should be enough, if handled properly, to take him off his pedestal and to reduce him completely in influence so that he will no longer be a security problem and no longer will be deceiving and misleading the Negro people.

b7C

When this is done, and it can be and will be done, obviously much confusion will reign, particularly among the Negro people. There will be embarrassment, frustration, confusion, resentment, et cetera. Because of this and the emotional reaction that will set in, it is not unlikely that movements like the Nation of Islam could benefit greatly. Further, other ridiculous developments similar to the Old Father Divine and Daddy Grace organizations may appear. The Negroes will be left without a national leader of sufficiently compelling personality to steer them in the proper direction. This is what could happen, but need not happen if the right kind of a national Negro leader could at this time be gradually developed so as to overshadow Dr. King and be in the position to assume the role of the leadership of the Negro people when King has been completely discredited.

Memorandum for Mr. Belmont
RE: [redacted] b7C

For some months I have been thinking about this matter. One day I had an opportunity to explore this from a philosophical and sociological standpoint with [redacted] whom I have known for some years. As I previously reported [redacted] is a very able fellow, [redacted] and one on whom I can rely. I asked [redacted] to give the matter some attention and if he knew any Negro of outstanding intelligence and ability let me know and we would have a discussion. [redacted] has submitted to me the name of the above-captioned person, [redacted] b7C + b7D

Enclosed with this memorandum is an outline of [redacted] biography [redacted] On scanning this biography, it will be seen that [redacted] does have all the qualifications of the kind of a Negro I have in mind to advance to positions of national leadership. I won't go into all his accomplishments and qualifications in this memorandum, for it will only take a minute or two to scan the enclosed biography. b7C

On first blush I know it can be said it is not the concern of the Bureau what happens to the Negroes when Martin Luther King has been discredited. This can be said, but I think it is a very short-sighted view. It is our concern if large numbers of them go into the Nation of Islam and other extremist groups with which we are concerned as an investigative agency. It is our concern if the Communist Party would be able to capitalize upon this confusion. Further, from a positive and constructive standpoint it would be of great advantage to have leading the Negro people a truly brilliant, honorable and loyal Negro who would steer the [illegible] million Negroes away from communism. I think in a very sound sense this necessarily must be of great interest to us. It would be most helpful to have a man [redacted] leading the Negroes to whom we could go, if necessary, and rely upon in sensitive matters over which this Bureau has jurisdiction. b7C

I want to make it clear at once that I don't propose that the FBI in any way become involved openly as the sponsor of a Negro leader to overshadow Martin Luther King. As far as I am concerned, this is not an issue at all. But I do propose that I be given permission to explore further this entire matter [redacted] and any other person known to both [redacted] and myself who could be helpful. If this thing can be set up properly without the Bureau in any way becoming directly involved, I think it would be not only a great help to the FBI but would be a fine thing for the country at large. While I am not specifying at this moment, there are various ways in which the FBI could give this entire matter b7C

the proper direction and development. There are highly placed contacts of the FBI who might be very helpful to further such a step. These can be discussed in detail later when I have probed more fully into the possibilities.

RECOMMENDATION:

(1) For the information of the Director.

(2) That approval be given for me to explore this whole matter in greater detail, as set forth above.

I am glad to see that "light"
has finally, though dismally
delayed, come to the Domestic

to get over the fact that the
communists were taking over the
racial movement but our experts
here couldn't or wouldn't see it. H.

KING.

[redacted] (b)(6) (b)(7)(

King, look into your heart. You know you are a complete fraud and a great liability to all of us Negroes. White people in this country have enough frauds of their own but I am sure they don't have one at this time that is any where near your equal. You are no clergyman and you know it. I repeat you are a colossal freud and an evil, vicious one at that. [redacted] (b)(6) (b)(7)(C)

King, like all frauds your end is approaching. You could have been our greatest leader. [redacted] But you are done. Your "honorary" degrees, your Nobel Prize (what a grim farce) and other awards will not save you. King, I repeat you are done. (b)(6) (b)(7)(C)

[redacted] (b)((b)(7)(

The American public, the church organizations that have been helping - Protestant, Catholic and Jews will know you for what you are - an evil, abnormal beast. So will others who have backed you. You are done.

King, there is only one thing left for you to do. You know what it is. You have just 34 days in which to do (this exact number has been selected for a specific reason, it has definite practical significant. You are done. There is but one way out for you. You better take it before your filthy, abnormal fraddalent self is bared to the nation.
